Everyone SHOULD check in online beginning at 11:35AM on Friday, February 16th. Note, you will **not** be able to look up your flight information until this 24-hour period prior to departure begins. Since we are booked as a group reservation, you may not be able to check in online. **DO NOT WORRY!** You still have a seat and there will be plenty of time to check in when you arrive at the airport.

Meeting at Airport: Saturday, February 17, 2018 - **Arrive 9:15AM at Alaska Airlines**

Please meet at the ticketing area dedicated to group travel to be directed by SAA staff to most efficient line. **The group area is located to the right after exiting Sky Bridge 4 and heading straight up to the departures level or to the right after entering from Door #25 (See Attached Map- meeting location highlighted in blue).** After checking your bag at the counter, meet with your team in the designated group area. **DO NOT go through security until you have met up with your team and received your trip t-shirts.** Your ENTIRE team will go through security together once everyone is accounted for. Keep in mind; flying Alaska may require you to jump on the airport tram to your gate, which may be located in the "N" Concourse.
