Common Ground Workday Apparel Checklist

Volunteer Work Overview

Volunteers will help restore an important wetland ecosystem by planting trees as part of a coastal restoration project. Volunteers should use the following checklist to ensure they are fully prepared for wet and muddy conditions.

Apparel & Personal Items Checklist

Wear:

Clothes you don't mind getting muddy

Weather-appropriate layers

Long pants

Hat and sunglasses

Bring:

Packed lunch

Reusable water bottle

Small ziplock bag for phone (optional but helpful)

Do Not Bring:

Jewelry or nonessential electronics
